Just as the rays of a star emanate in many different directions, so do the opportunities available for young people interested in theater.

Star Bridge Academy: where ideas shine, creativity flourishes, and imaginations soar. Interested in scriptwriting or puppetry? Enroll in *Out of the Box* or become a BCT Puppeteer. Want to know more about stage directing, lighting or scenic design? Become a paid intern working with a professional. Kid's Clubhouse creates entrepreneurship opportunities by developing fundraising activities such as *Storybook Breakfast*. Not sure where your interests or talents lie, then try BCT Jr., a two-week summer intensive involving music, theater, and dance, culminating in a performance.

Disney's The Little Mermaid will be a Starbridge Academy production, meaning all cast members must be under the age of 18 (but at least 8).

In addition, cast members who successfully complete a required number of intern hours will be invited on a special theater trip to the cities to see a number of live theater performances the first week of May. Tentative shows will be *Grease* at Chanhassen, *Disney's Frozen Jr.* at the Children's Theater Company, and *The Lightning Thief: The Percy Jackson musical* at Paramount.

Auditions will be in early January. Watch our website for details.
